

**Consent form for
photographic/video images for
children and young people under 18
years of age**

Reef Scuba dive school and Club take the protection of privacy and the welfare and safety of children and young people seriously. For details of our child protection policies please visit our website: www.diveuk.com.

To promote the features and benefits of Reef scuba dive Club and dive school, we sometimes use images of our staff and members to illustrate activities, and make the sport more inspiring to visitors to our website. We also occasionally produce published materials that similarly contain images to motivate people to try scuba diving as a sport.

To use images of children and young people under the age of 18 full parental or guardian consent is required. Although risks are minimal, we have a duty of care towards young people to ensure that they cannot be identified or contacted through Reef Scuba.

This consent form covers use of images by Reef Scuba for a five year period from the date that the form is signed. At the end of that period all images will cease to be used and be destroyed.

The data protection act states that you may withdraw your consent at any time in the future should you wish to. You may do this by writing to the Club secretary at: Beverley@diveuk.com.
